RALLY FOR DEMOCRACY

Sat. March 18, Veterans Memorial Park

Rally for Democracy Planned for March 18 in Sierra Vista

The Committee to Recall Tom Crosby is announcing a “Rally for Democracy” to be held in Veterans Memorial Park at the pavilion on Saturday, March 18.

The event will feature music, speakers, kids’ activities, entertainment, food trucks, and opportunities to register to vote and to sign the petition to recall County Board of Supervisor Tom Crosby. Formal activities will begin at 11:00am and continue through 1:00pm, but the general public is invited to come to sign the petition anytime between 10:00am and 4:00pm.

“Come enjoy a day at the park with people who care about our community and our democracy,” Committee Chair Eric Suchodolski. “Bring a friend, and let’s make a visible show of our strength and commitment to protecting democracy here.”

Everyone is invited to this event, including those who are from outside of District 1 and those who may not be engaged in the political process. This will be a fun day to build civic participation, support our democracy, and build community.
